Adjusting to life in Australia

Culture Shock

Moving to a new country and culture different from your own can be difficult. Although a change in culture is exciting, you may experience some "culture shock". The people, customs and language are unfamiliar and not always easy to understand and it is very common to feel homesick. Remember - it is only temporary!

What is Culture Shock?

It is a feeling of nervousness, fear, unhappiness or any unpleasantness that comes to us when we live in a culture very different from our own. It happens to everyone but in different ways. For most people, it is mild and doesn't last long. For some, it is stronger and makes them want to go straight home and miss the great opportunity to learn lots of new things about the world and develop as an individual.

Try to make friends in Australia and do as many 'new' activities as you can. Be positive about your new activities. Joining a local sports club or church group can help introduce you to people.

Trainers at ITHEA can help you deal with any problems you may experience. Drop in for a chat or make an appointment to speak to your Trainer, the Student Manager or the Student Counsellor if you do get sad or lonely.

Aussie language!

It may take a week or two to get used to the Australian pronunciation. Even those of you who have studied English for some years may think that Australian English is a completely new language. We tend to speak very quickly and run our words together.

Many Australians also use a lot of 'slang'. If you are not sure what something means, don't be afraid to ask. You will learn some interesting expressions! "Carn, give it a shot!" (Come on, have a go!)

Some common examples of Australian slang:

Aveagoodweegend	Have a good weekend	G'day	good day/Hello
Arvo	afternoon	Good on ya	well done
Aussie	Australian	Hang on	wait a moment
Barbie	barbecue/BBQ	I dunno	I don't know
Beaut	fantastic	Jumper	pullover/Sweater
Bikkie	biscuit/cookie	Lollies	sweets, candy
Bloke	guy/man	Mate	friend
Brekkie	breakfast	Na/Nuh/Nope	no
Bring a plate	bring a plate of food	No worries	no problem
Brunch	breakfast & lunch, around 11:00am	See ya	good bye
BYO	bring your own (drink)	She'll be right, mate	everything will be OK.
Cracked it	to get very upset	Spit the dummie	to get very upset
Dodgy	awkward, suspicious	Sunnies	sunglasses
Doona	bed quilt usually filled with feathers	Ta	thank you
Dunny	an outdoor toilet	Yeah/Yep	yes
Fair dinkum	really?	Ya reckon?	Do you think so?
		Footy	Australian Rules Football

Climate

Melbourne has a comfortable temperate climate with 4 seasons. Summer is generally hot and dry, and winter is cool with occasional rain. It is a good idea to bring a woollen jumper or windproof jacket for the winter months. In summer, light cotton clothing is best. Most students dress casually: T-shirts, jeans, sweaters, shorts, windcheaters and comfortable shoes.

Summer: (Dec, Jan & Feb) January and February are the hottest months. Daily maximum temperatures are between 25-30°C. On a hot day the temperature can be between 35-40°C.

Autumn: (Mar, Apr & May) Most days are pleasantly mild.

Winter: (June, July & Aug) Days can be cold and windy. Temperatures range between 10-15°C

Spring: (Sept, Oct & Nov) Days are slightly warmer. Temperatures range between 15-20°C

Health and Welfare

Melbourne has a reputation as a safe city to live in. In 2000, it was recognised by the World Health Organisation as a Safe Community, one of only three capital cities worldwide to achieve such an honour.

We have provided some basic information about health and safety in Melbourne. For more information, speak to one of your advisors or see the City of Melbourne website.

Student Health

All International students must have health insurance before being issued with a visa. This cost is payable with your fees.

Counselling

Staff members at ITHEA are available to help you out with academic or personal problems. Professional counselling can be arranged if required.

Employment in Australia whilst studying

Visa regulations usually allow international students to work up to 20 hours per week however, students must ensure that work does not interfere with their study.

In September of 2022 the minister of Home Affairs announced an update to the regulations which states that International students can now work unlimited hours until June 2023.

Vaccinations

You don't need special vaccinations before coming to Melbourne, unless you have recently been in a yellow fever area such as South America or South Africa within the last six days.

Drinking Water

You can safely drink Melbourne tap water – it is one of the purest supplies in the world.

Skin Cancer

Australia has the world's highest death rate due to skin cancer, caused by exposure to the country's intense sunlight. Limit your exposure to the sun and protect your skin with broad-spectrum skin creams (SPF 30+). Most sunscreens also contain a moisturiser to protect your skin from dry weather.

Prescriptions

Australian pharmacies or chemists can only fill prescriptions prescribed by Australian doctors, so ensure you carry enough of your current medication for your trip, or visit a doctor in Melbourne to write you a new prescription. You will generally find a 24 hour medical clinic and chemist in or near to your suburb.

Feeling Unsafe

If at any stage you feel unsafe or in any danger it is best to speak to someone at ITHEA or go directly to the police. Their number in a case of an emergency is 000.

Embassies / Consulates in Melbourne

During your stay you may require support services from your national representatives in Australia. Find your country's Embassy, Consulate or Diplomatic Mission in Melbourne. (see Appendix)

Melbourne's Transport System

Public transport is fairly reliable and safe to use. Most stations and stops display the relevant timetable. Services are reduced on weekends and public holidays. The Melbourne transport system operates trains, buses and trams from the City centre to all Melbourne suburbs. It operates from 5.30am to 12.00 midnight every day. The free City Circle Trams circle the perimeter of the City centre and central business district every day except for Christmas Day and Good Friday. The transport system does not operate from Melbourne to the Airport. See the table below for the price of an adult ticket.

Melbourne's ticketing system is called **Myki**. Myki is operating on metropolitan trains and buses. Myki money or myki pass are valid for travel on all metropolitan trams, trains and buses. Tram travel within the CBD is free.

Before getting on public transport, ensure your ticket is validated with today's travel date. If unsure, ask someone and follow the example of a responsible commuter.

REMEMBER: BUY, VALIDATE, TRAVEL and there will be no problems. Heavy penalties are imposed if you are found travelling without a valid ticket. Always ensure you buy your ticket **before** you get on the train. It is not an excuse to say to ticket inspectors that the station was closed and you were unable to buy one or that the ticket vending machine was not operating.

International students are entitled to student concessions on public transport.

For further information on the Melbourne transport system or train, tram and bus timetables call 1800 800 007 or visit <http://www.ptv.vic.gov.au>

Timetables, maps and brochures are available on the PTV website.

Getting Around

There are a variety of transport options to help you get around.

Driving

Cars are the most common form of transport. In Australia, cars drive on the left-hand side of the road and seatbelts must be worn by **everyone** in the car. The driver must have either an Australian Driver's Licence or must bring an International Driving Permit from your country.

Drink-driving (driving when under the influence of alcohol) is strictly prohibited. Failure to obey drink driving laws may result in loss of licence and heavy fines. Drive safely!

Traffic in Melbourne is not as heavy as in your major cities back home. This is not an excuse to speed. Speeding incurs heavy fines and loss of licence. Always stick to the speed limit and keep your passengers safe. As a passenger, ask your driver to slow down if you feel uncomfortable.

Car insurance is essential if you are thinking of owning a car in Australia. A student who buys a car is very strongly advised to purchase third party and comprehensive insurance to cover you and other drivers in the event of an accident. We do not recommend that you consider buying a car if you are unable to meet these costs.

Buying a car

You can browse the classified ads to get an idea of car prices. If you choose to buy a car, ensure that it is sold with a current Roadworthy Certificate (RWC). You may also consider getting it checked out with a qualified mechanic.

Cycling

Keep fit, have fun, and cut your transport costs. Melbourne is great for cycling. Cyclists must obey the road rules. This includes wearing an approved helmet, having a warning device on the bike (e.g. a bell), and having reflectors and lights if you are riding at night or when visibility is low. For details, see the [VicRoads](http://www.vicroads.vic.gov.au/Safety-and-road-rules) website. <http://www.vicroads.vic.gov.au/Safety-and-road-rules>

Taxis

Public transport stops at midnight. So, if you're out late, you may need to get a taxi.

Melbourne's taxis are widely available across Melbourne. They often wait in taxi ranks that are clearly signposted at central locations like major hotels in the CBD, or busy spots such as Flinders Street Station. You can also hail a taxi in the street – if the rooftop light is illuminated, it means the taxi is available for hire – or book a taxi by telephone.

The major companies operating in Melbourne and Victoria are:

13 CABS (ph 132 227)

Black Cabs (ph 132 211)

Silver Top Taxis (ph 135 000)

UBER: Request, ride and pay via your mobile phone www.uber.com

Banking

Australia has many banks, building societies and credit unions. The larger banks include ANZ, Commonwealth Bank, National Australia Bank, St George and Westpac.

It is important to open a bank account as soon as possible. You will need your passport as proof of identification. (Take along either your Student ID card or Letter of Offer)

Banking hours are generally 9.00am to 4:00pm Monday to Thursday and 5:00pm on Friday. Some banks are even open on Saturday mornings with telephone banking and internet banking available 24 hours a day, 7 days a week. Your bank will let you know what services they provide and how to use your ATM card and PIN around Melbourne.

You may need to provide a Tax File Number (TFN) to avoid paying too much tax on the money in your account, and especially if you intend to work part-time after you start classes. You can apply for a TFN during Orientation on campus, or in person at a branch of the **Australian Tax Office**

Currency

Australia uses the decimal system of currency (100 cents = \$1.00.) Notes are in denominations of \$5, \$10, \$20, \$50 and \$100. Coins come in denominations of 5 cents, 10 cents, 20 cents, 50 cents, \$1 and \$2.

Receiving Money from Overseas:

Telegraphic Transfer (TT): Money sent by TT can take around 3 working days to be deposited into your Melbourne bank account. Your Melbourne bank may charge you a fee (around \$10), which will be paid out of the transferred funds. You may be charged a currency conversion fee.

Bank Draft or Bank Cheque: When you deposit an overseas bank draft into your account, it can take up to 30 days to clear. You may be charged a currency conversion fee.

Other ways to transfer money: There are organisations other than banks where you can send or receive money. For example, many Australia Post branches are agents for Western Union Money Transfer Services.

Shopping

Melbourne has long been recognised as Australia's shopping and fashion capital.

Shopping hours are usually 9.00 am to 5.30 pm Monday to Wednesday, and 9.00 am to 9.00 pm on Thursday and Friday. However, larger shopping centres are also open from 9.30 am to 5.00 pm on Saturdays and Sundays. Most large supermarkets open 24 hours a day, seven days a week.

The city is a great place to find bargains, with many trendy laneways and tree-lined streets filled with specialty shops and boutiques. All fashion tastes are catered for by major department stores, David Jones and Myer, both in the Bourke Street Mall and in suburban centres. Other popular shopping destinations include Chapel St, Chadstone, Knox, Westfield Doncaster and Northland.

It is not customary to bargain in Australia except in some markets and second-hand shops.

Food

Melbourne has a diverse selection of restaurants, offering a wide variety of international cuisines to suit every palate and budget!

In the heart of the city, you can explore Chinatown, which offers the finest of Asian cuisine and culture. Just around the corner on Lonsdale Street you can sample exquisite food in the Greek Precinct. Italian food is well represented in bustling Lygon St. Other popular cuisines include Vietnamese (Victoria St, Richmond), Japanese, Thai and Middle Eastern (Sydney Rd, Brunswick).

The city is also a great place for buying fresh food.

Queen Victoria Market is the largest open air market in the southern hemisphere. Other popular areas for buying fresh food include Preston Market and Box Hill Centro.

Communication

Telephones – Australia's country code is +61 and the area code for Victoria (and Melbourne) is **03**

Australia has many mobile phone and home phone service providers. They usually offer a range of phone plans with different fees depending on the kind of phone calls you make. Shop around to get the best deal.

Mobile Phones

Mobile phone service providers offer pre-paid accounts and/or periodical bills. You will normally pay a connection fee plus a rate per minute for phone calls and a flat rate for SMS. Shop around for a deal which suits the way you use your phone. If you want to bring your mobile phone from overseas to Australia, check if it is compatible with Australian networks first.

Home Phones

If you decide to have a telephone line in your home, you will normally pay a one-off connection fee and a monthly line rental fee. Local calls from residential telephones cost around 40 cents per call. Calls to mobile phones vary. For international calls you will normally pay a connection fee and a rate per minute. It may be

cheaper to use a pre-paid phone card to call mobiles, long distance, and/or overseas from your home phone. There are many different phone cards available, offering different rates for different countries. You can buy phone cards at convenience stores, some supermarkets and cafés, and online.

Payphones

Australia Post manages postal services in Australia. Examples of postage prices:

ITHEA counsellors can help all international students, regardless of religious affiliation to find people of their own language group, locate a church with similar cultural background or provide general assistance in coping with Australia. When a Qualification or Statement of Attainment is in question, a committee, comprised of the Training Manager, Student Manager and the Course Leader, will conduct an investigation to determine the circumstances that surround the issuance of the Qualification or Statement of Attainment.

The committee will submit its findings and recommendations to the Managing Director, who will decide on the case at hand.

When the Managing Director decides to revoke the qualification or Statement of Attainment, the candidate concerned will be notified in writing that the award, Statement of Attainment or Result of Assessment will be cancelled within 21 days of receipt of the letter. Students are given the capacity and right to learn with equal opportunity to develop their maximum potential.

Student Discipline Procedure

ITHEA actively promotes an environment in which students develop a positive and responsible attitude to the work environment, clients and colleagues. As part of this the Institute supports a system of informed consequence for actions.

To ensure the proper management of disciplinary issues the following disciplinary procedure should be used. The procedure is designed to ensure fairness and objectivity and its principal purpose is not intended as a form of punishment but as a means of providing students with the opportunity to correct or modify their behaviour through fair and objective means.

Procedure

In the case when student behaviour conflicts with **Code of Conduct**, disciplinary action will need to be taken and the following will apply in a private and confidential manner.

- 1.0 In the first instance the Trainer concerned, issues the student with an official warning about their behaviour by filling out the **Student Communication Form**, one copy of this warning goes to the student and another copy must be filed in the student's file.
- 2.0 In the second instance of unacceptable behaviour the Trainer is to arrange a meeting with the Course Leader.
 - 2.1. The details of all disciplinary interviews and warnings will be recorded using the **Student Communication Form** and a copy filed in the student's file. The Course Leader must inform the student of the possible ramifications.
 - 2.2. A note should be placed on VETTRAK to identify that a disciplinary interview has taken place and that details are located on the student's file.
- 3.0 Persistent disciplinary problems are to be dealt with by the Student Manager in liaison with all parties, including the Course Leader and the Trainer. In the third instance the Student Manager is to decide whether the student's behaviour constitutes their suspension or expulsion from ITHEA.
 - 3.1. The details of all disciplinary interviews and warnings will be recorded using the **Student Communication Form** and a copy filed in the student's file.
 - 3.2. A note should be placed on VETTRAK to identify that a disciplinary interview has taken place and that details are located on the student's file.
- 4.0 Any variation in the student's enrolment must be reported to the Department of Education and Training (DET), as outlined in **Deferral, Suspension & Cancellation policy**.
- 5.0 In cases of serious misconduct the Student Manager will make an immediate decision on suspension or cancellation of enrolment as outlined in Policy and Procedures.
- 6.0 In cases where suspension or cancellation of the student's enrolment is initiated by ITHEA, students will be notified and given 20 working days to access ITHEA's internal **Complaints and Appeals Procedure**.

Course delivery information

Trainer led classroom delivery, workshops, seminars, tutorials and supervised study. Integrated delivery of some units will occur. Online learning is available for specific courses.

Assessment

Assessment is the process of collecting evidence and making judgments on the extent and nature of performance and other requirements, as described in a set of standards, or learning outcomes, resulting in a judgment of whether or not competency has been demonstrated.

Effective and objective assessment is of vital importance to the successful implementation of competency standards in the workplace and in education. This is the judgment of performance and knowledge against the relevant industry competency standards.

Assessment is carried out by the comparison of a student's evidence of skills and knowledge, against the requirements of the Standards.

In general terms, assessment during training will involve observation of performance in class or online, including:

- Case studies
- Projects
- Assignments
- Presentations
- Role plays
- Written tests
- Integrated assessment of some units may occur
- Students will be given an opportunity for three resubmissions for any competencies not achieved on the first attempt

Reasonable adjustment/ Special learning needs

One fundamental principle of an assessment system is that each student must have access to fair and open assessment. Students with special needs should be offered the same opportunities as any other student.

As special needs extend to more than identify physical or learning difficulties, an assessor will also need to consider the best approach when dealing with students with needs such as low literacy, lack of confidence or Non - English speaking background.

An assessor must take special needs into consideration from the planning stage onwards and adopt particular assessment methods as appropriate. Depending on any specification given in the standards, the assessor may be able to accept alternative evidence from a student with special needs.

Evidence collection can be adjusted to suit individual student needs if required. Reasonable adjustments may include the use of adaptive technology, educational support and alternative methods of assessment such as oral assessment. The learning need that forms the basis of any adjustment to the training program will be identified and appropriate strategies will be agreed with the student. Any adjustments will be recorded in the student file and will not compromise the competency standard.

If there is uncertainty, the assessor should call on other assessors or the Training Manager for assistance and guidance, as required. In such a case, the situation must be fully documented, with appropriate feedback being provided to the student at all stages.

Assessment Requirements

Attendance

All scheduled classes, excursions and placement/workplace learning arrangements must be attended. Supervised work placement comprises a compulsory element of attendance records and attendance should be recorded accordingly. If students miss classes or do not attend organised work placements and are unable to show that there are extenuating circumstances for the absence may be required to submit additional work or to meet other conditions that are considered to be warranted.

Assessment Results

All results should be recorded as **Competent (C)/Satisfactory (S)** or **Not Yet Competent (NYC)/Not Satisfactory (NS)**. To be deemed competent, the student must satisfactorily complete all assigned work. A duplicate copy of work submitted, must be kept by the student. Students are required to save work or submit assessments on a regular basis as evidence of participation.

Extension of course completion date

If you are having trouble with your studies because of personal problems, we may be able to help you. We can organise for you to have more time. You can apply for an **Extension to complete the course**.

Please remember that you need a suitable reason to get an Extension.

Suitable reasons for extension might be:

- a. You were or are very sick (you will need a medical certificate).
- b. A relative or friend was or is very sick (you may need a medical certificate for the person, and the Trainer/Assessor may ask for evidence of your relationship with the person).
- c. A relative or friend has died recently (you may need to provide a death certificate, and the Trainer/Assessor may ask for evidence of your relationship with the person).
- d. Personal problems that are causing you emotional distress (you may need to provide written proof of this distress, either from the Student Manager or another professional counsellor). The specific reasons for the emotional distress do not necessarily have to be on this written document, give privacy issues. If they are, however, the Trainer/Assessor will take all steps to provide confidentiality for the student's situation.
- e. Any other extenuating circumstances that your Trainer/Assessor believes are valid (you will need to provide all document/s your Trainer asks for).

If you need to apply for an Extension of Time, here is the process you need to follow:

- Contact your Trainer/Assessor and provide all the documentation you think you will need and fill out the **Application for Extension to Complete Course**.
- Students seeking an extension for course completion, must submit an application form to the Trainer/Assessor to be approved by the Student Manager.
 - Students seeking an extension of more than one month (course completion) in duration must provide appropriate supporting documentation, including evidence of the circumstances and an explanation of the impact of the circumstances on the student's ability to complete the assessment task/course
- Submission of an application for extension does not mean automatic approval
- 'Having work in another subject' or 'Had no time because I was working' will not be accepted as valid reasons for late submissions. Also, excuses involving computers or printers will not be accepted as valid reasons.

Feedback

Feedback is one of the most important aspects of the learning process and serves the important function of enabling students to make timely and informed judgments about their performance so that subsequent assessment can be undertaken with improved likelihood of success.

Feedback is provided in a variety of ways, including:

- model answers to questions
- verbal comments from trainers, both individually and to the whole class
- verbal comments on presentations and participation in class discussions
- preliminary assessment task advice
- face-to-face assessment task discussion, individually, and in groups
- written feedback comments regarding drafts and assessment tasks

Feedback on assessment tasks will normally be provided within ten working days, but no longer than **15 working days** following the deadline for submission of the assessment task.

Where students are undertaking placements, it is expected that they will be provided with regular and constructive feedback about their performance, either by the Course Leader, the placement officer and/or the supervising professional in the workplace.

Where students are assessed as not competent they will be provided with additional feedback on their assessment outcome to assist in achieving the required performance standard on reassessment.

Assessment task cover sheets (ELICOS Only)

When students submit an assessment task, they are required to include a signed and completed cover sheet. In the case of group assessment tasks, each member of the group is required to sign the cover sheet, and each student will receive written feedback on their group assessment task.

Recording of results (ELICOS Only)

Assessors should give clear advice to students as to how the unit(s) will be assessed.

Each student should have the following records kept in their file:

Assessment Tasks with Assessment Cover sheets.

This cover sheet should include but is not limited to:

- Student details
- Course code and title
- Assessment title and description (if applicable)
- Date
- Assessor name
- Elements and relevant performance criteria (if applicable)
- Assessment Result: recorded as **C** or **NYC/ N** or **NS**
- Feedback/comments section
- Student declaration regarding plagiarism
- Signatures of both student and assessor

Resubmission

Resubmission is where a student is permitted to make minor corrections/modifications/amendments to an assessment task which has been deemed **NYC/NS**. The assessment is then re-submitted to the original assessor within a specified timeframe. After the third resubmission, if the student is still assessed as **NYC/NS** for that assessment, the student will receive a fail for that unit. If the trainer/assessor questions any submitted work as wholly or partially plagiarised or copied, an **NYC/NS** result will be submitted (refer to **Plagiarism Policy**).

Reassessment

Students who are dissatisfied with their assessment outcome may apply for reassessment by contacting their Course Coordinator or Trainer/Assessor. The Course Leader/ Trainer/Assessor will decide which of the following outcomes is the most appropriate and will notify the student in writing within five working days:

- arrange for a second assessor to re-mark the assessment
- deny the request

Reassessment is where an assessment task is marked again by a second assessor, without any further work by the student. The second assessor is not provided with details of the student's original mark. The same range of marks which were used on the original assessment must be available for re-marking. The second mark stands, whether it is higher or lower. No further re-marking will be permitted. A re-marked assessment task cannot be re-submitted.

A student who is not satisfied with the outcome of resubmission or reassessment may appeal in writing to the Managing Director within five (5) working days of the notification of the resubmission or reassessment result.

The decision of the Managing Director is final and the student is notified within ten working days of the receipt of the written appeal.

A student who has followed this process and still is dissatisfied may take the matter further (refer Student Complaint and Appeal Policy)

Access to Student Records

Current and former students of ITHEA have access to their own records on request. **Academic Files** for currently enrolled students are maintained at the **Training Staff Office** while **Administration files** for current enrolled students are maintained at **Administration**. All requests from an individual student to view their student file should be referred to the respective trainer who will make appropriate arrangements for supervised access. If a student wishes to amend their student administration file, they should contact the Compliance Manager. Due consideration will be given to any request to amend personal information held on file. A request to correct personal information may be satisfied by the individual providing an additional record rather than making alterations or deletions to the original record.

ITHEA provides students with accurate and up to date information about the status and outcomes of the courses in which they are enrolled.

Removal of hard copies of student files from the Training Office and Administration may not occur.

Information about a student is not disclosed to a third party without the consent of the student, unless required or permitted by law. Persons outside of ITHEA do not have access to the records of individual students unless students give written permission for the release of specific records, or unless the knowledge of such information is required to be provided to funding, immigration, accreditation or other agencies which are legally entitled to such information. Information required by other education institutions for the purposes of confirming qualifications of a current or former student of ITHEA, such as confirmation of units of study completed, participation in officially recognised activities, and scholarships received by students, will not be released by ITHEA unless accompanied by written authorisation of the student.

All requests for archived student files must be authorised by the Compliance Manager. A form has been designed to assist this process. This will enable the location of files to be monitored and minimize the number of missing files.

Student Survey

ITHEA uses surveys to enable students to give feedback on training delivery including their perceptions of teaching, their learning experience, their overall course experience, and their whole experience at ITHEA.

ITHEA undertakes regular student survey twice a year during the months of May and November.

The survey data are collected and analysed to ensure that ITHEA can make informed decisions that positively affect the learner's outcome. Students and staff will be provided with the results from student feedback along with plans for improvement.

Plagiarism & Cheating

What is Plagiarism?

Plagiarism happens when you copy or reproduce someone else's work or ideas without acknowledging its original source. This includes but is not limited to, copying information from books, the Internet and fellow students. This is called **Plagiarism**.

In some cultures, using information from other sources is considered to be okay. In Australia, if the other source is not cited this is considered inappropriate. This is why it is looked on in an unacceptable way.

ITHEA treats plagiarism as cheating. The use of another person's work as though it were one's own, intending to gain an unfair advantage, is Cheating. Students who provide their work for others to copy are also subject to the same penalties as those who copy.

Cheating and plagiarism are serious offences and will be treated severely. ITHEA imposes strong penalties on students who cheat and plagiarise.

How do you avoid Plagiarising?

To avoid **Plagiarising**, it is very important to acknowledge all sources in all assignments submitted for marking. This means you must say where you found your information. Acknowledgement may be in the form of footnotes, endnotes or any other textual references. A reference list must be included at the end of an assignment if any acknowledgements have been made within the assignment, including sources that have been referred to but not cited within the assignment.

The words of another writer must be placed in quotation marks/inverted commas. These words must be followed by the author's name, the source (book, website etc...) and page number of the source. The author's complete details should also be included in the reference list at the end of the assignment.

It is also a serious offence to help another student to plagiarise written work. This includes lending another student work that you have completed so that it can be copied and submitted as the other student's own work. ITHEA treats these instances as seriously as plagiarism and will impose severe penalties on students found to be assisting other students to cheat and plagiarise.

Penalties for Plagiarism

Penalties for plagiarism are severe. If a student is caught doing any of these things, they receive an **Automatic Failure** for that assignment or assessment/exam. They will receive 0% (Not Yet Competent) and will have to resubmit that assessment. The Assessor/Coordinator may change the assessment to protect its integrity (for example, they may make it an exam). Resubmission is only possible where the assessment will be completed before the relevant module ends. If on the second attempt of the assignment or assessment, the student is still caught of plagiarism, the student gets an **Automatic Failure** for that **unit/module**. You may appeal, using the **Automatic Failure Appeal Form** if you feel you have been accused wrongly.

Where a student is detected in repeated plagiarism (i.e. in more than one unit or on more than two occasions) the case will be brought to the Student Manager who may recommend any of a range of penalties, including failure in the unit and/or exclusion from the college. Such severe recommendations however will be referred to the Managing Director for a final determination. Students will be given an opportunity to put their case at every level in accordance Appeal policy.

Vocational Course Progress and Intervention Strategies

1.0 Purpose

Standard 8 of the National Code 2018, requires providers to be systematic in monitoring course progress and be proactive in contacting and counselling students who are at risk of failing to meet course requirements. Students are to be reported according to section 19(2) of the ESOS Act.

2.0 Responsibility

2.1 The Managing Director is responsible for implementation of this procedure and ensuring that staff and students are made aware of its application.

3.0 Requirements

ITHEA has implemented the **DEEWR-DIAC Course Progress Policy and Procedures for CRICOS Providers of VET Courses for all its vocational courses.**

Vocational education and training conducted at ITHEA (Institute of Tertiary and Higher Education Australia) is competency-based. ITHEA ensures that students are assessed to achieve the level of understanding, knowledge and skill expected by industry. ITHEA also encourages students to build on their competencies as they progress through their courses.

In line with DEEWR-DIAC Course Progress Policy and Procedures for CRICOS Providers of VET Courses (Standard 8), ITHEA systematically monitors course progress and implements appropriate intervention strategies when students are at risk of not making satisfactory course progress.

Where unsatisfactory course progress continues for a period of two consecutive study periods, the student will be reported to the Secretary of the Department of Education and Training, (DET) via PRISMS (section 19 of the ESOS Act) and their CoE will be cancelled, which may also result in their student visa being cancelled.

4.0 Definitions

- 4.1 **DET** is the Department of Education and Training.
- 4.2 **DOHA** is the Department of Home Affairs
- 4.3 A **study period** is defined as 10 study weeks or ONE term.
- 4.4 **Course progress** is defined as the measure of advancement within a course towards the completion of that course demonstrated through competency-based training and assessment.
- 4.5 **Satisfactory Course Progress** is defined as when a student achieves a competent result in all assessments for all units of competency undertaken in a given study period and is on track to successfully complete their program within the expected duration of study.
- 4.6 **Unsatisfactory course progress** is defined as **not** successfully completing or demonstrating competency in at least 50 % of the course requirements in **two** consecutive study periods.
- 4.7 **Monitoring** refers to the active checking of course progress.
- 4.8 A student **at risk** is one who has been assessed as NYC in one or more of their units attempted in a study period and their attendance is inconsistent, erratic or random or deemed insufficient for achieving satisfactory academic progress by the Trainer.
- 4.9 **Intervention Strategy** is an individual plan to provide support and/or assistance to a student identified as 'at risk' of not achieving satisfactory course progress.

5.0 Method

5.1 Advice to students

At the orientation session students will be advised of the meaning and requirements for academic performance and of the requirement to complete the course by the scheduled end date of the course.

5.2 Early detection of, and intervention in, lack of satisfactory academic performance

As ITHEA is committed to ensuring that all students have satisfactory learning experiences, at ITHEA early identification of issues affecting student progress and performance is a priority.

- 5.2.1 Consequently whenever a student, undertaking the **first study period**, fails to achieve a satisfactory result in consecutive assessments that form part of any unit of competency or fails to achieve competency in a unit that would normally be completed prior to the end of the study period, that student is identified as '**at risk**'. Trainers/Assessors will notify the course coordinator (or Student Manager if no coordinator) using the **Monitoring of Course Progress Checklist and Reporting Form**.
- 5.2.2 On receiving notification from the trainers/assessors the course leader/Student Manager will arrange for a meeting with the student involving the Student Manager, coordinator/trainers/assessors and student to discuss academic performance.
- 5.2.3 The purpose of this meeting is to determine the reasons for this lack of satisfactory academic performance of a student who is yet to complete the first study period of the qualification and to develop strategies involving student support and student action to assist the student to gain the necessary competence in a time frame that enables the student to complete the course within the expected course duration. Records will be kept using the **Student Communication Form** and the **General Intervention Record**.
- 5.2.4 Outcomes, actions and agreements of that meeting signed by both the Student Manager and the student will be given to the student and a copy kept on the students file.

5.3 Review of academic performance at end of study period

- 5.3.1 At the end of a study period the Course Leader will review the academic performance of ALL students. The progress of each student shall be monitored using the **Monitoring of Course Progress Checklist and Reporting Form**. This will be done by examining the students allocated study program and by examining

the academic results provided by trainers and assessors for the units of competency, comprising the study program, undertaken during the study period.

5.3.2 If as result of the review it is identified that.

5.3.2.1 a student has failed to/yet to achieve competence in any units of competence undertaken in that study period the leader will notify the Student Manager who will contact the student through personal contact, telephone and/or email and/or SMS or, at last resort, registered mail to arrange for a meeting with the student involving the Student Manager, Leader / Trainers/Assessors and the student to discuss academic performance.

5.3.2.2 The purpose of the meeting is to determine the reasons for this lack of satisfactory academic performance and to develop and implement intervention strategies involving student support and student action to assist the student to gain the necessary competence in a time frame that enables completion of the course within the expected course duration. Records will be kept using the **Student Communication Form** and the **General Intervention Record**.

5.3.2.3 **First Notification:** If a student's course progress is not satisfactory after being identified as 'as risk' and having implemented intervention strategies, then a first warning letter for unsatisfactory course progress will be sent and another meeting organised.

5.3.2.4 Outcomes, actions and agreements of that meeting signed by the Student Manager, the leader and the student and the student will be given a copy and a copy kept on the students file.

5.3.3 Intervention strategies may include: ITHEA

- Advising the student on the suitability of the course enrolled in
- Arranging extra learning support or tutorials
- Arranging counselling for assistance with personal issues
- Providing advice regarding study habits (i.e. maintaining required class attendance)
- Providing opportunities for students to be reassessed or to repeat subjects
- Arranging to vary or reduce the enrolment load for the following semester
- Providing advice re-course suitability (i.e. Literacy, Language and Numeracy)
- Allocating a new individualised study program for the following study period. *Such an individualised study program may include repeat units in addition to the normal study program (As specified in the Delivery and Assessment strategy) or in place of units specified in the normal program.*

The student

- Undertaking re assessment in each of the failed units
- Undertaking a period of study during the scheduled break between study periods
- Repeating failed units during the next study period by:
 - Attending additional classes
 - Undertaking a self paced/on line programs
- Being required to undertake additional English language classes prior to re assessment
- Producing evidence of competence gained in the workplace.

5.3.4 In most cases the agreed actions, may require the student to pay an additional fee for additional tuition or assessment services.

- Tuition @ \$12 per class hour **OR**
- Assessment @ \$200 per unit

5.3.5 Students who fail to achieve competence in a majority of units of competence undertaken during this study period will be advised that this lack of satisfactory academic performance in two consecutive study periods could lead to the student being reported to DOHA and cancellation of his or her visa, depending on the outcome of any appeals process. These students will be classified as being "At Risk" and recorded on file.

5.4 Monitoring of students with a lack of satisfactory academic performance during a consecutive study period.

5.4.1 The academic performance of ALL students classified as being "At Risk" or who are undertaking repeat units of competency in any study period as a result intervention strategies put in place in the previous study period will be monitored in an ongoing way.

5.4.2 Any assessment undertaken by the student in any unit of competency undertaken in the study period that achieves other than a competent result will be recorded and may require the student to immediately discuss their academic performance with the trainers/assessors and the leader.

5.4.3 All results of these students will be reviewed at the mid-point of the study period by the Course Leader. This will be done by examining the students allocated study program and by examining the academic results provided by trainers and assessors for the units of competency, comprising the study program, undertaken during the study period.

5.4.4 Students who, at this mid-point, are displaying a lack of satisfactory academic performance in their new units or in units being repeated will be contacted by the Student Manager to attend a meeting with the leader and/or trainers/assessors to discuss their academic progress. Contact will be through personal contact, telephone and/or email and/or SMS or, at last resort, registered mail.

Second Notification: If a student's course progress is not satisfactory after being identified as 'as risk' and having implemented intervention strategies, then a second warning letter for unsatisfactory course progress will be sent and another meeting organised.

- 5.4.5 The purpose of this meeting will be to determine the reasons for the ongoing lack of satisfactory performance and to develop strategies involving student support and student action to assist the student to gain competence by the end of the study period.
- 5.4.6 Outcomes, actions and agreements of that meeting signed by both the leader and Student Manager and the student. A copy will be given to the student and a copy kept on the students file.

5.5 Review of academic performance at end of a consecutive study period.

- 5.5.1 At the end of the study period the course leader will particularly review the academic performance of any student "At Risk"
- 5.5.2 If as result of the review it is identified that;
 - 5.5.2.1 A student has failed to/yet to achieve competence in a majority of the units of competence undertaken in the current study period the leader will notify the Student Manager who will notify the student in writing of its **intention to report** the student to DET- DOHA for not achieving satisfactory course progress. This written notice will be sent by registered mail.
 - 5.5.2.2 The written notice will inform the student that he or she is able to access ITHEA 's complaints and appeals process as per ESOS Standard 10 (Complaints and appeals) and that the student has 20 working days in which to do so. A copy of this letter is retained within the student's file.
 - 5.5.2.3 If the student chooses not to access the complaints and appeals processes within the 20 working day period, withdraws from the process, or the process is completed and results in a decision supporting ITHEA, the Student Manager will notify the Registrar who will notify the Secretary of DET through PRISMS of the student not achieving satisfactory course progress as soon as practicable.
 - 5.5.2.4 Similarly if a result of the review a student's academic performance shows a lack of satisfactory performance in less than 50% of scheduled units the normal interview and intervention strategy approach indicated earlier in this policy and procedure will prevail.
 - 5.5.2.5 Copies of all outcomes and notifications related the appeal processes are kept on the student's file in accordance with ITHEA's complaints and appeals policy and procedure.

5.6 Review of the impact of intervention strategies on course duration

- 5.6.1 At all stages of this review and monitoring process the impact of any decision relating to implementation of intervention strategies on the expected course duration for a student will be examined and any likely or possible variation in course duration will be noted on the student's file. Reporting' the student (issuing a new CoE) will occur when the ITHEA knows the student cannot reasonably complete his or her course, as specified in the delivery and assessment strategy, within the expected duration as specified on the student's CoE. However, ITHEA will only issue a new CoE when they can accurately predict how long an extension of duration of study the student will require. See **Completion within expected duration Policy and Procedure**.

Completion within Expected Duration Policy and Procedure

1.0 Purpose

The purpose of this policy is to monitor the workload of International students to ensure they complete the course within the duration specified in their CoE and not to exceed the allowable portion of online or distance learning. ITHEA will only enable students to extend the expected duration of study for the course through the issuing of a new CoE in limited circumstances. The policy and procedure applies to all international students enrolled at ITHEA.

2.0 Responsibility

2.1 The Student Manager is responsible for implementation of this procedure and ensuring that staff and students are made aware of its application.

3.0 Requirements

- 3.1 To ensure students complete their course according to the length of their CoE, ITHEA enrolls all students in compulsory study periods of 10 weeks (one term) and does not offer non-compulsory study periods or distance (including online) learning.
- 3.2 ITHEA monitors each student's progress to ensure that at all times they are in a position to complete their course within the expected duration as specified in their CoE
- 3.3 ITHEA monitors enrolment load and progress at the end of every study period and monitors students during the term ensuring they are passing their individual assessments enabling them to maintain satisfactory course progress
- 3.4 ITHEA will only extend the duration of a student's study where it is clear that the student will not complete the course within the expected duration, as specified on the CoE as a result of:
 - 3.4.1 Compassionate or compelling circumstances (for example, illness where a medical certificate states that the student was unable to attend classes or where ITHEA was unable to offer a pre-requisite unit)
 - 3.4.2 ITHEA implementing its intervention strategy for students who are at risk of not meeting satisfactory course progress,
 - 3.4.3 An approved deferment or suspension of study that has been granted under Standard 8
- 3.5 Where there is a variation in the student's enrolment load which may affect the student's expected duration of study, this variation is recorded in the student's file with the reasons and via PRISMS and issue a new CoE if necessary

4.0 Definitions

- 4.1 A student **at risk** is one who has been assessed as NYC in one or more of their units attempted in a study period and their attendance is inconsistent, erratic or random or deemed insufficient for achieving satisfactory academic progress by the Trainer.
- 4.2 **Intervention Strategy** is an individual plan to provide support and/or assistance to a student identified as 'at risk' of not achieving satisfactory course progress.
- 4.3 A **study period** is defined as 10 study weeks or ONE term.
- 4.4 **Satisfactory Course Progress** is defined as when a student achieves a competent result in all assessments for all units of competency undertaken in a given study period and is on track to successfully complete their program within the expected duration of study.
- 4.5 **Unsatisfactory course progress** is defined as **not** successfully completing or demonstrating competency in at least 50 % of the course requirements in **two** consecutive study periods.
- 4.6 **Monitoring** refers to the active checking of course progress.
- 4.7 For the purposes of Standard 8, the **expected duration** of a course is the duration of course as registered on CRICOS.
- 4.8 **Compassionate or compelling circumstances** are generally circumstances beyond the control of the student and which have an impact on the student's course progress or well being. These could include but are not limited to:
 - Serious illness or injury, where a medical certificate states that the student was unable to attend classes,
 - Unexpected illness or death (bereavement) of close family members such as parents or grandparents,
 - Student being caught in a major political upheaval or natural disaster in their home country or, if in Australia, requiring emergency travel for such reasons and this has impacted on the student's studies,
 - The student is involved in custody proceedings for their child
 - The student is involved in legal proceedings where timing is beyond the student's control,
 - The student or accompanying family member has an acute medical condition requiring treatment

- A traumatic experience which could include involvement in or witnessing a serious accident and witnessing or being the victim of a serious crime and this has impacted on the student (these cases should be supported by police or psychologists' reports)
- Or where the registered provider was unable to offer a pre-requisite unit
- Inability to begin studying on the course commencement date due to delay in receiving a student visa

The above are only some examples of what may be considered compassionate and compelling circumstances. ITHEA will use their professional judgement and will assess the documentary evidence provided by the student to support the claim on a case by case basis. ITHEA will keep copies of these documents in the student's academic file

For the purpose of Standard 8, the following *additional situation* would be considered 'compelling circumstances' and could support the granting of an extension of the duration of a student's study,

- If the student had failed occasional units throughout the course but had not done so poorly as to be picked up by ITHEA's intervention strategy for course progress. In this case, ITHEA will document the findings of the monitoring process and the decision to extend the student's duration of study in order to complete the course.

5.0 **Method**

- 6.1 Students are monitored throughout the term and also at the end of their term as per the Course Progress and Intervention Strategy.
- 6.2 As soon as a student receives an NYC/NYS for an assessment, the trainer advises the Course Leader and a meeting with the student, trainer and Leader is arranged as soon as possible
- 6.3 The meeting with the Leader will involve identifying why the student failed and putting in place a strategy to address the student's needs and assisting them in being able to achieve competency within the duration of their CoE
- 6.4 Through identifying issues at the assessment level, intervention strategies are put in place to ensure the students can complete their course within the duration of the CoE
- 6.5 Some possible interventions which may be utilised to assist students are:
 - 6.5.1 The option of undertaking a combination of classes and field placement, in order to catch-up with the units or with the field placement.
 - 6.5.2 English language support for oral and written comprehension or
 - 6.5.3 Assistance with academic skills such as essay & report writing, meeting assessment requirements and research skills
 - 6.5.4 Counselling with the Student Manager/Student Counsellor if compassionate circumstances are identified and students are having personal difficulties that may be affecting their progress
 - 6.5.4 A resubmission of the work after further clarification on the requirements is provided to the student or addressing the problems the student had with the assessment item
- 6.6 If after intervention strategies are put into place and the student still receives an NYC/NYS for 50% or more units in a term, then the Course Progress and Intervention Strategy Policy takes effect, resulting in further intervention strategies for the student. (Refer to the Course Progress and Intervention Strategy Policy in the Student Handbook and Orientation Guide)
- 6.7 ITHEA considers a student to be at risk of not completing the course within the expected period, if at the end of term the student has to repeat two or more units.
- 6.7 Issuing a new CoE should occur when ITHEA decides that the student cannot reasonably complete his or her course within the expected duration as specified on the student's CoE and there have been grounds identified in 3.4 above. This would normally be done as part of the academic review process conducted at the end of a students' penultimate, study period. In simple terms the course leader and the Student Manager, decide in conjunction with the student whether it is possible, for the student to successfully complete all the remaining units necessary for the award of the qualification within the period of a study period. Using the allocated hours identified in the delivery and assessment plan they identify the expected extra time required for the student to fully complete the requirements of the qualification.
- 6.0 On determination of the additional time and agreement with the student the Student Manager will formally advise the Managing Director in writing that a new CoE should be issued to extend the duration of the student's study. The Managing Director will notify the Secretary of DET through PRISMS as soon as practicable.

General English Language Attendance Policy and Procedure

Policy

ITHEA is obliged under The National Code 2018 to monitor attendance records and notify the Department of Education and Training, (DET) when any international student's attendance falls below 80% of the scheduled course contact hours. Students must attend at least 80% of scheduled course contact hours for each CRICOS registered course in which they are enrolled. Attendance of less than 80% represents a breach of visa conditions and if continued will require ITHEA to report the student to DET through PRISMS.

Definitions

- A **Study period** is defined as ten weeks or one term.
- **Sign In sheets** include information such as reasons for arriving late, and reasons for students leaving class before the official scheduled time.
- **Student attendance records** are primarily based on the **Sign In sheets**.
- **Class Rolls** serve as a complement and reference to the attendance record.
- Students who are identified as '**at risk**' are those who are in danger of not meeting attendance requirements or have been absent for 5 consecutive days without approval.
- **Compassionate or compelling circumstances** are generally those beyond the control of the student and they have an impact on the student's capacity and/or ability to progress through a course.

Guidelines

Students must attend at least 80% of scheduled contact hours for each unit in a study period in which they are enrolled in order to be competent for the particular subject.

Consideration will be given to students with less than 80% attendance only if:

- The student is attending at least 70% of the course contact hours and
- There is documentary evidence demonstrating of compassionate or compelling circumstances. These could include:
 - serious illness or injury, where a medical certificate states that the student was unable to attend classes.
 - unexpected illness or death(bereavement)of close family members such as parents or grandparents (where possible a death certificate should be provided)
 - a major political upheaval or natural disaster in the home country requiring their emergency travel and this has impacted on their studies.
 - a traumatic experience which could include involvement in or witnessing of a serious accident and witnessing or being a victim of a serious crime and this has impacted on the student (these cases should be supported by police or psychologists' reports). (See **Compassionate and Compelling circumstances Policy**)

ITHEA also uses professional judgement and assesses each case on its individual merits. When determining whether compassionate or compelling circumstances exist, ITHEA requires documentary evidence provided to support a claim. Copies of these documents, together with a record of why the decision was made, are kept in the student's file. Students who fail to meet such requirements will need to retake that subject regardless of the competency of their subject assessments. ITHEA policies and procedures relating to attendance are contained in the Student Handbook and Orientation Guide.

Procedure

1. Attendance Recording

- 1.1 Student attendance is based on two documents: **Class Rolls** and **Sign-In Sheets**
- 1.2 **Sign-In sheets** are returned to the Administration Assistant responsible by the end of the term and attendance is monitored by trainers using class rolls.
- 1.3 Three times per study period, the trainer will:
 - 1.3.1 Identify students 'at risk' of falling below the expected attendance level.
 - 1.3.2 Make contact with students identified as 'at risk'.
 - 1.3.3 Report to Student Manager who will instigate an intervention meeting or issue **Warning Letters** according to the policy.

2. Stages reporting students 'at risk'.

- 2.1 Students who are identified as '**at risk**' are contacted and an appointment is made for counselling by the Course coordinator/ Student Manager regarding the requirements of the attendance policy. Intervention strategies may be put in place, if required. Warning letters will be sent to the student's residential address that was last updated.
- 2.2 **First Notification**
If a student's attendance falls to approximately **85 % of scheduled classes within a study period**, the student will be issued a **First Warning Letter** advising the student that he or she is at risk of breaching his or her visa conditions because of unsatisfactory attendance. The letter will also indicate that the

student should make an appointment with the course coordinator to discuss the reasons for the absence.

2.3 Second Notification

If a student's attendance falls to approximately **80 %** of scheduled classes within a **study period**, the student will be issued with a **second warning letter** advising the student that he or she is at risk of breaching their student visa conditions due to unsatisfactory attendance. The letter will also indicate that the student should make an appointment with the Student Manager to discuss/review the reasons for the absence. The review would also remind the student of the attendance requirements and actions that can occur when they are in breach of attendance requirements.

2.4 Notice of Intention to Report

If the student's overall attendance continues to drop below 80% despite being issued with first and second warning letters, the student will be sent a Notice of Intention to Report advising them of the Institute's intention to report them to DET-DOHA.

The letter also informs the student that if they wish to appeal the Institute's intention to report them to DOHA for breach of their Student Visa attendance requirement, that they have 20 working days from the date of the **Notice of Intention to Report** to access ITHEA's **Complaints and Appeals Procedure**. Students are advised that if they are not satisfied with the Institute's decision from the internal complaints and appeals process that they will be able to access an External Complaints and Appeals Process.

The letters are sent by registered mail, and evidence is maintained in the student's file.

Students are also advised that their enrolment will be maintained until the completion of internal and external complaints and appeals process and that they should continue to attend their classes until the processes are complete to assist them to maintain course progress.

If the student does not access the Institute's internal complaints and appeals process within 20 working days from the date of **Notice of Intention to Report** and the student is in breach of the attendance requirement then the Managing Director proceeds with reporting this breach to DET via PRISMS.

COMPLAINTS AND APPEALS PROCESS

The National Code 2018 Standard enables ITHEA not to report a student, if s/he appeals, for unsatisfactory attendance, if:

- a. The student provides evidence clearly demonstrating compassionate and compelling reasons (see *Compassionate and Compelling Circumstances*), and
- b. The student has not missed more than 30% of the scheduled course contact hours.
 1. If student undertakes an internal appeal, processing starts within 10 working days of the appeal and student's course enrolment is maintained during the processing.
 2. (a) If internal appeal is successful, the letter of the appeals outcome is sent to the student advising him/her to continue his/her course and the student's enrolment is maintained.
(b) If internal appeal is unsuccessful, the letter of the appeals outcome is sent to the student advising him/her to make an external appeal within 10 working days.
 3. If the student undertakes an external appeal, the student must advise ITHEA if they intend to appeal and his or her enrolment is maintained.

Evidence of Illness / Medical Certificates

An absence supported by a medical certificate is counted towards the student's total absences when calculating attendance. Also, please note that **back-dated** medical certificates are not accepted. It is, therefore, important that student should have a medical certificate **at the time that he/she is unwell**.

Holidays / Travelling out of Australia

Students must be at school for the first class on the first day and on the last day of each term. Leaving early for and returning late from holiday is not permitted. However, ITHEA understands that there may be compassionate and compelling circumstances affecting your enrolment. If you need to return late or leave early you must complete a **Request for Leave Form** and include the reasons as to why you need to return late or leave early and provide all the relevant evidence. This form is available at Reception and must be submitted to the Student Manager for assessment. Just because you have bought your ticket to go home does not mean that you will be given permission by the Institute to leave.

You must complete the **Request for Leave Form**, especially if you are leaving during the term. You may be stopped at the airport when you come back and questioned as to why you left during class time. If ITHEA gave you permission to return overseas, you will need to provide Immigration with the **Approval for Absence** letter that the Student Manager would have given you before you left. If you were not granted permission to leave but returned home anyway and you are questioned at the airport, you may not be allowed to re-enter Australia.

General Attendance Policy for all other Courses

Attendance

Both DET and ITHEA understand that you may have times where you cannot come to class. This is why you only have to attend 80% of your classes, not 100% - the other 20% where you may be absent is for times when you may be sick, or in emergencies, etc (of course, we would like to see you attend every class!). ITHEA will instigate the Early Intervention and Support strategies Policy for students who fall below the required 80% of attendance to DET.

You must fill out a **Reason for Absence Form**, which is available from Reception, your trainer or the Student Manager. Providing us with this Form and evidence of why you were absent will not result in your attendance at ITHEA being changed. It's simply so that if ever you need to explain your absences, we can provide them with evidence for why you were absent. At ITHEA, attendance is recorded for every class and students' attendance rates are calculated accordingly. Students are expected to attend all classes as scheduled on the timetable.

Lateness

It is very important that you arrive on time for class. If you do not, you will be missing out on important class time, which may affect your attendance and also may affect your academic performance (you may miss out on information about a piece of assessment). Being late to class causes unnecessary disruption to the teachers and to the students therefore every student should make every effort possible to come to class on time. Lateness to school and or to class without valid reason will result in a notation being made on the sign in sheet. Records of persistent lateness will be recorded in the student file.

Illness

You must have medical certificates as evidence if you are absent due to illness.

If you are going to be late or away:

1. Ring ITHEA on 9650 3900 and explain reasons for being late or absence.
2. When you return to ITHEA, you must see your trainer or coordinator and explain your absence and/or present any evidence of that absence (eg. medical certificate).
3. A note will be recorded in the class roll.

Attendance Recording

Classroom attendance is based on two documents: **Class Rolls** and **Sign-In Sheets**.

Trainers mark each student's attendance in the class roll, twice each day: at the beginning of each session in the morning and in the afternoon. Each student must **'sign in'** at the beginning of each session. A student who is more than 15 minutes late for a session must record the time of arrival and the reason for lateness on the sign in sheet.

Sign-In sheets will be kept by the trainer and class rolls will be returned to the Administration Officer by term's end. Three times per study period, the trainer will review the attendance of every student and identify students **'at risk'** of falling below the expected attendance level.

Trainers will make contact, via email, SMS or phone, with students who fall below the accepted number of classes to ascertain the reason for their absence. If the student continues to be unacceptably absent, the trainer will report to the Student Manager who will advise the trainer regarding steps to be taken.

These steps may include:

- Meeting with the Student Manager to discuss Early Intervention strategies according to ITHEA policy.
- Advising the student that they are at risk of being withdrawn from the course.
- Withdrawing a student from a course using the appropriate withdrawal codes on the SVTS form if a funded student.

Holidays / Travelling out of Australia.

Students must be at school for the first class on the first day and on the last day of each term. Leaving early for and returning late from holiday is not permitted. However, ITHEA understands that there may be compassionate and compelling circumstances affecting your enrolment. If you need to return late or leave early you must complete a **Request for Leave Form** and include the reasons as to why you need to return late or leave early and provide all the relevant evidence. This form is available at Reception and must be submitted to the Student Manager for assessment. Just because you have bought your ticket to go home does not mean that you will be given permission by the Institute to leave.

You must complete the **Request for Leave Form**, especially if you are leaving during the term. This is because your leave will impact on the duration of your course and you may not have sufficient time to complete the coursework required. You may need to apply for an extension to your course in order to complete all the course work required.

Deferral, Temporary Suspension and Cancellation Policy and Procedures

Purpose

Student enrolment can be deferred, suspended or cancelled in limited circumstances by ITHEA or by the student. When deferral, suspension or cancellation of enrolment is initiated by the Institute, students have the right to appeal the decision. All documentation relating to the assessment of student deferral, temporary suspension and cancellation applications will be kept in the student's file. All discussions undertaken with the student during the processing of the application will be recorded using a Student Communication Form as they occur and kept in the student file.

Definitions

- **Deferral** is the postponement of the commencement of your course.
- **Suspension** is the temporary postponement of enrolment during course.
- **Cancellation** is the cessation of enrolment in course.
- **Compassionate and Compelling circumstances** are circumstances beyond the control of the student and which have an impact on the student's course progress or well being.

 - Nonpayment of outstanding fees.
 - A Student who ceases attending a course for 14 working days or does not return from leave for 14 working days and is non contactable will be deemed to have 'inactively' advised ITHEA of his/her failure to continue studying. In this case, ITHEA is not required to give the student access to the appeals process.
- 1.1.3. In cases where suspension or cancellation of the student's enrolment is initiated by ITHEA, students will be notified and given 20 working days to access ITHEA's internal complaints and appeals process (see Complaints and Appeals Procedure).
 - 1.1.3.1. The change in enrolment status will not be reported to DET until the internal appeals process is completed unless extenuating circumstances relating to the welfare of the student apply.
- 1.1.4. Once the deferral, suspension or cancellation is processed, ITHEA will notify DET via PRISMS within 14 days.

1.2. Student Initiated Deferral, Suspension or Cancellation

- 1.2.1. International students may **defer commencement** of a course or temporarily **suspend their enrolment** during their course in the following limited circumstances.
 - On the grounds of compassionate or compelling circumstances (at the discretion of the Institute). See Compassionate & Compelling Circumstances.

 - 1.2.3.3. In case of an emergency situation that compels the student to suspend their course, the minimum submission deadline of 10 working days may be waived. Please see Compassionate & Compelling Circumstances Policy for further guidelines on what constitutes an emergency situation.
 - 1.2.3.4. Once the suspension is approved the student will receive an Approval for Absence Letter from the Student Manager granting the suspension.
- 1.2.4. Students who wish to **cancel** enrolment in their course must obtain approval from ITHEA and attend a cancellation appointment.
 - 1.2.4.1. Students must complete an Application to Defer, Temporarily Suspend or Cancel studies Form or where applicable a Transfer between Providers Application Form and submit it, together with all supporting documentation, to the Student Manager.
 - 1.2.4.2. The Student Manager will decide the outcome of the student's request for cancellation.
 - 1.2.4.3. If the student requests a refund, the Student Manager will submit their request to the Managing Director for approval of the refund.
 - 1.2.4.3.1. The student must complete an Application for Refund (Cancellation) Form and submit it with their Application to Defer, Temporarily Suspend or Cancel studies Form.
 - 1.2.4.4. If the student does not accept the outcome of their request for cancellation, the Student Manager will escalate the student's application to the Managing Director.

- 1.2.4.5. Once the cancellation is processed, the student will receive a Release Letter from the Managing Director.
- 1.2.5. Once the deferral, temporary suspension or cancellation is processed, the Compliance Officer will notify DET via PRISMS within 14 days.

2.0 Additional Guidelines for International Students

- 2.1. If an international student's enrolment is temporarily suspended for a period of 28 days or longer, the student must return home (unless special circumstances exist).
 - 2.1.1. The student will be required to prove that they are returning home, such as providing their airline ticket.
 - 2.1.2. The Student Manager will take a copy of the airline ticket for the student's file.
- 2.2. International students can temporarily suspend enrolment for a maximum period of six months.
 - 2.2.1. In the case of exceptional circumstances (supported by documented evidence), longer suspensions may be granted at the discretion of ITHEA management.
- 2.3. Deferral, temporary suspension or cancellation of enrolment may affect the student's visa.
 - 2.3.1. If an international student's enrolment is suspended for more than six months, the student's visa may be cancelled by DOHA.

 - 3.2.3.3. If the student requests a refund, the Student Manager will submit their request to the Managing Director for approval of the refund.
 - 3.2.3.3.1. The student must complete Application for Refund (Cancellation) Form and submit it with their Application to Defer, Temporarily Suspend or Cancel studies Form.
 - 3.2.3.4. If the student does not accept the outcome of their request for cancellation, the Student Manager will escalate the student's application to the Managing Director.
 - 3.2.3.5. Once the cancellation is processed, the student will receive a Release Letter from the Managing Director.

4.0 Guidelines for Funded Local Students

- 4.1. **ITHEA Initiated Deferral, Suspension or Cancellation**
 - 4.1.1. ITHEA may **defer commencement** of a course when a course does not have sufficient numbers to start.
 - 4.1.2. ITHEA may **cancel enrolment** in the following circumstances.
 - Student misbehaviour as outlined in Student Code of Conduct.
 - Non-participation in classes
 - Non-payment of outstanding fees (if applicable).
 - 4.1.3. In cases where cancellation of the student's enrolment is initiated by ITHEA, students will be notified and advised to access the institute's internal complaints and appeals process if they are dissatisfied. (see Complaints and Appeals Procedure).
- 4.2. **Student Initiated Deferral, Suspension or Cancellation**

- 4.2.1. Funded students may request a **deferral of the commencement** of their course by informing the Registrar/Admissions Officer prior to the commencement of the course.
 - 4.2.1.1. If the deferral is less than one month, the dates of commencement will be adjusted on the enrolment form.
 - 4.2.1.2. If the deferral is more than one month, the enrolment will be cancelled and the student will be required to re-enrol at a later date more suitable for the student.
- 4.2.2. Funded students who wish to **temporarily suspend** enrolment in their course must inform their trainer who will provide an Application to Temporarily suspend or an Approval of leave form (depending on the amount of leave required)
 - 4.2.2.1. The trainer will advise the Student Manager of the request.
 - 4.2.2.2. If the period of temporary suspension is 3 weeks or less, the student should complete an Application for Leave form and attach any evidence to support their request.
 - 4.2.2.3. If the period of temporary suspension is 3 weeks or more, the trainer should prepare the file for withdrawal by completing the appropriate section on the Skills Vic reporting form and use the appropriate withdrawal code – Withdrawn Deferred (WD). The student's enrolment can be re-activated upon return by the Registrar/Admissions Officer once the trainer has notified them of the student's return.
 - 4.2.2.4. All requests for leave or temporary suspension must be approved by the Student Manager/ To obtain approval, students must submit the form a minimum of 10 working days before the requested suspension date.
 - 4.2.2.5. In case of an emergency situation that compels the student to suspend their course, the minimum submission deadline of 10 working days may be waived. Please see Compassionate & Compelling Circumstances Policy for further guidelines on what constitutes an emergency situation.
- 4.3 ITHEA Initiated cancellation for funded students**
 - 4.3.1. ITHEA may cancel a funded student's enrolment if:
 - 4.3.1.1. the student has finished training without successfully completing any program and has notified the RTO/Trainer of their withdrawal. The withdrawal code WO/Withdrawn Official should be used on the Skills Vic reporting form.
 - 4.3.1.2. When a student has finished their training without successfully completing any program and has not officially notified the RTO/Trainer of their withdrawal. The student has lost contact with the RTO/Trainer and the RTO/Trainer is assuming a withdrawal. The code WA or Withdrawn Apparent should be used on the Skills Vic reporting form. This code covers both scenarios where the student has opted to stop training and where the training has ceased through no fault of the student (e.g., RTO closure)

Compassionate or Compelling Circumstances Policy

Purpose

This policy outlines any compassionate or compelling circumstances which may affect a student's enrolment. **Compassionate or compelling circumstances** are generally circumstances beyond the control of the student and which have an impact on the student's course progress or wellbeing. These could include but are not limited to:

- Serious illness or injury, where a medical certificate states that the student was unable to attend classes,
- Unexpected illness or death (bereavement) of close family members such as parents or grandparents,
- Student being caught in a major political upheaval or natural disaster in the home country or, if in Australia, requiring emergency travel for such reasons and this has impacted on the student's studies,
- The student is involved in custody proceedings for their child
- The student is involved in legal proceedings where timing is beyond the student's control,
- The student or accompanying family member has an acute medical condition requiring treatment
- A traumatic experience which could include involvement in or witnessing a serious accident and witnessing or being the victim of a serious crime and this has impacted on the student (these cases should be supported by police or psychologists' reports)
- Or where the registered provider was unable to offer a pre-requisite unit
- Inability to begin studying on the course commencement date due to delay in receiving a student visa

The above are only some examples of what may be considered compassionate and compelling circumstances. ITHEA will use their professional judgement and will assess the documentary evidence provided by the student to support the claim on a case by case basis. ITHEA will keep copies of these documents in the student's academic file

For the purpose of Standard 8, the following *additional situation* would be considered 'compelling circumstances' and could support the granting of an extension of the duration of a student's study,

- If the student had failed occasional units throughout the course but had not done so poorly as to be picked up by ITHEA's intervention strategy for course progress. In this case, ITHEA will document the findings of the monitoring process and the decision to extend the student's duration of study in order to complete the course.

Fees and Charges Policy for International Students

This policy outlines the fees and charges that the Institute of Tertiary & Higher Education Australia (ITHEA) has with relation to the tuition during the course of enrolment of international students.

- 3.3 Enrolment fee is non-refundable.
- 3.4 ITHEA will collect fees for one study period at a time and a maximum of 50% of the total course fees in the first study period (except for courses less than 24 weeks where collecting 100% of fees upfront can be collected). Balance Course Tuition Fees must be paid no later than two weeks prior to the end of the previous semester.
- 3.5 In accordance with the Student Acceptance of Offer agreement, if the Course Tuition Fees are not received by the agreed date (as per the payment schedule in the letter of offer) a late payment penalty will be incurred at the rate of \$100 per fortnight or part thereof that the payment is in arrears.
- 3.6 If any fees are not paid, in accordance with Student Acceptance of Offer in the Letter of Offer and the payment schedule, ITHEA may take any appropriate action for debt recovery. Further, according to the Deferment, Temporary Suspension and Cancellation Policy, ITHEA may cancel a student's CoE for non-payment of outstanding fees. If a student is dissatisfied with this decision, they have twenty (20) working days to appeal, in accordance with the ITHEA Complaints and Appeals Policy.
- 3.7 Course and other Fees are not transferable to another student or institution but may be transferred to another course within ITHEA at the discretion of the ITHEA after payment of an administrative fee.

4.9 Any approved refunds are made payable to and sent to the student or if a person specified (other than the student) as specified in the agreement (between ITHEA and the student), in Australian dollars.

4.10 Bank charges are deducted for refunds made by bank draft or electronic transfer.

6.2 RPL fees will be calculated at the rate of \$50 per hour. An estimate will be provided to the student beforehand, and only upon the student's written consent will the RPL be commenced.

6.3 Students who are not satisfied with the application outcome are able to access the Complaints and Appeals Policies and Procedures.

RPL/ Credit Transfer Policy and Procedures

Policy

This policy outlines the process for ITHEA to grant course credit to applicable students. If necessary, the duration of study is adjusted accordingly and students are advised of ITHEA's granting of credit. ITHEA will ensure that Credit Transfer / RPL is offered to all applicants on enrolment and that the process is structured to minimise the time and cost to applicants; and provides adequate information and support to enable applicants to gather reliable evidence to support their claim for recognition of competencies currently held, regardless of how, when or where the learning occurred.

Guidelines

Procedures for granting and recording course credit if applicable are carried out by the Course Leader in conjunction with the Registrar. Course credit will be assessed and granted (if appropriate) at the time of application and the adjusted duration will be reflected in the offer letter and Confirmation of Enrolment (CoE). To gain course credit, applicants must provide certified copies of evidence with their application. Course credit may be granted in the form of Recognition of Prior Learning (RPL) or Credit Transfer (CT). All course credit assessments must be conducted by the Course Leader /Assessor.

Assessor Qualifications

ITHEA shall at all times ensure that assessors completing assessment for prior learning will have completed TAE40116 Certificate IV in Training & Assessment OR its successor.

Definitions:

Recognition of Prior Learning (RPL): Recognition of Prior Learning (RPL) is a process that allows the competencies you already possess to be recognised, regardless of how you obtained them. These might include skills you picked up on the job or from other life experiences that do not necessarily include formal training.

Recognition of prior learning suits people who have industry relevant:

- work skills or knowledge
- paid or unpaid work experience
- life experience
- community work experience

Recognition of prior learning could provide you with a full or part qualification and avoid duplication of training. It could be used to identify what training you may need to complete a qualification or could provide a pathway to higher qualifications for people who may not have access to further training.

Your RPL Assessor can discuss evidence you will need to supply with your application if you wish to have your experience recognised. In many cases, RPL will only give the off-the-job component of the unit. You may still need to meet the on-the-job component, assessed at work.

Credit Transfer (CT):

Transfer credit is the recognition of any equivalent study you have previously undertaken. To apply for transfer credit, you are required to provide evidence of the accredited study along with your **Credit Transfer**

Application Form.

Transfer credit can only be granted if equivalence has been previously determined through a formal process like a mapping guide, transition arrangements or precedence.

Course credit may reduce the length of a student's course. If this occurs before visa is granted, ITHEA indicates the actual course duration in the confirmation of enrolment issued for that student for that course. If the course credit is granted after visa is granted, the change in course duration is reported via Provider Registration and International Student Management System (PRISMS) under section 19 of the Education Services for Overseas Students (ESOS) Act.

Students need to sign a letter as confirmation of acceptance of course credit granted.

In the instance whereby an applicant provides certified copies of results from their previous provider, ITHEA will recognise these units of competence previously studied at another provider.

Procedure

During application process, students need to inform ITHEA of their intention to apply for Course Credit on the Enrolment Application Form.

Students who wish to apply for Credit Transfer are advised to complete a **Credit Transfer Application Form** which is available from Administration. Students who wish to apply for RPL are advised to contact ITHEA to obtain an **Application for RPL Form** for the course that they wish to enrol.

Upon receipt of **Application for RPL Form**, the Course Leader /Assessor will assess the evidence provided. Evidences that can be used to support the Course Credit application can include:

Credit Transfer

- Transcripts from other VET providers (including short courses where the courses have been assessed)

- Units completed under AQF

RPL

- A detailed resume
- Letters from employers
- An interview with the Course Leader/Assessor.
- Work skills or knowledge
- Paid or unpaid work experience
- Life experience
- Community work experience

Applicants must provide additional evidence if requested by the Course Leader /Assessor.

The Course Leader /Assessor will assess the evidence in relation to: validity, reliability, currency and fairness.

The Course Leader /Assessor will complete mapping of evidence provided by student to the ITHEA's **RPL Evidence Report** for the course they are wishing to apply credit to.

A **Credit Acceptance Letter** will be prepared by the Course Leader /Assessor with the attached copy of **RPL Evidence Report** with the credit competencies approved.

Course Leader /Assessor will return the Application form with the result of the Registrar. The Student will be asked to sign the acceptance letter within 7 working days from the date of the letter.

Upon receipt of student's **Credit Transfer Application Form** and the Enrolment Application Form, the Registrar/Admissions Officer will issue a **Letter of Offer** with the duration as confirmed by the Course Leader. A copy of the **Credit Transfer Application Form** and **RPL Evidence Report** placed in the student Academic file.

If the granting a student course credit leads to a shortening of the student's course, Registrar/Admissions Officer must:

- Indicate the actual net course duration (as reduced by course credit) in the **Confirmation of Enrolment (CoE)** issued for that student for that course if the course credit is granted before the student visa is granted, or
- Report the change of course duration via PRISMS under Section 19 of the ESOS Act if the course credit is granted after the student visa is granted.

Students who are not satisfied with the application outcome are informed to access the **Complaints and Appeal Policy and Procedures**

International Student Complaint Flowchart

As part of ITHEA's commitment to a positive learning environment, a procedure for complaints and grievances is in place to ensure equitable treatment with a system for appeal. This system is independent, readily accessible and inexpensive for the parties involved.

Student Complaints and Appeals Policy and Procedures

1.0 Purpose

The purpose of this procedure is to define the system available to students for dealing with complaints and appeals, independent resolution and appellant rights.

Each student may be accompanied and assisted by a support person at any relevant meetings and has the opportunity to formally present their case at minimal or no cost.

The procedure requires a written record of the complaint or appeal to be kept in the student's Administrative file. The student is also given a written statement of the outcome, including all details of the reasons for the outcome.

2.0 Responsibility

The Student Manager is responsible for implementation of this procedure and ensuring that staff and students are made aware of its application.

3.0 Requirements

- 3.1 Students who are concerned about the conduct of ITHEA are encouraged to attempt to resolve their concerns using this procedure.
- 3.2 All prospective students will be provided with information about complaints and appeals before making a contract to enrol and again at course commencement.
- 3.3 All complaints and appeals will be handled professionally and confidentially in order to achieve a satisfactory resolution
- 3.4 All parties will have a clear understanding of the steps involved in the procedure
- 3.5 Students will be provided with details of external authorities they may approach, if required
- 3.6 At any stage in the complaint or appeals process students are entitled to have their own support person included in the complaint/appeals/resolution process.
- 3.7 All complaints and appeals will be managed fairly and equitably and as efficiently as possible
- 3.8 The process will commence within ten (10) working days of the formal lodgement of the complaint or appeal and supporting information. ITHEA will attempt to resolve any complaint or appeal fairly and equitably and all reasonable measures will be taken to finalise the process as soon as practicable.
- 3.9 Students may raise any matters of concern relating to training delivery and assessment, the quality of the teaching, student amenities, discrimination, sexual harassment and other issues that may arise.
- 3.10 ITHEA will encourage the parties to approach a complaint or appeal with an open view and to attempt to resolve problems through discussion and conciliation. Where a complaint or appeal cannot be resolved through discussion and conciliation, we acknowledge the need for an appropriate external and independent agent to mediate between the parties.
- 3.11 A student's enrolment must be maintained if the student chooses to access ITHEA's complaints and appeals process and the process is ongoing.
- 3.12 If the internal or external complaint handling or appeal process results in a decision that supports the student, ITHEA must immediately implement any decision and or corrective and preventative action required and then advise the student of the outcome.
- 3.13 Nothing in this procedure inhibits student's rights to pursue other legal remedies. Students are entitled to resolve any dispute by exercising their rights to other legal remedies. Students wishing to take this course of action are advised to:-
 - Contact a solicitor; or-
 - Contact the Law Institute of Victoria, 470 Bourke St Melbourne 3000. Telephone 9602 5000 for a referral to a solicitor.
- 3.14 Records of all complaints and appeals are confidential and are documented in detail in the student's Administrative File. The complaints and or appeals are officially recorded in ITHEA's Complaints and Appeals Register located on the portal.

4.0 Definitions

- 4.1 **Complaint** - dissatisfaction with a service offered, discrimination or treatment received at ITHEA.

5.0 Method

(Note: Each student may be accompanied and assisted by a support person at any relevant meetings.)

Informal Complaint Process

- 5.1 Any student with a complaint may raise the matter with trainers and coordinators of ITHEA and attempt an informal resolution.

- 5.2 Students who are not satisfied with the outcome of the complaint are encouraged to register a formal complaint.

Formal Complaint Process

- 5.3 Should the complaint remain unresolved after informal resolution is attempted then the student should complete a Formal Complaint and Appeal form and contact the Student Manager and arrange a meeting. At this meeting the complaint can be raised and a resolution attempted.
- 5.4 At the complaint meeting:
1. The complaint must be recorded in writing and signed and dated by the complainant and the Student Manager
 2. The outcome of the complaint meeting and reasons for the decision must be recorded in writing and signed and dated by the complainant and the Student Manager
- 5.5 The Student Manager will attempt to resolve the complaint with the student and any other parties who may be involved. The resolution phase must commence within 10 working days of the complaint being lodged. (It should be noted that a maximum time of 20 working days will be allotted in which a resolution can be reached. This will be known as the resolution phase.)
- 5.6 Following the complaint meeting and resolution phase, ITHEA must document and convey the decision to the student and act to rectify any substantiated complaint
- 5.7 If a student is dissatisfied with the outcome of the formal complaint meeting then they may institute an internal appeals process by completing the Formal Complaint and Appeal form and indicating that an appeal is being sought.

Appeals

Internal Appeals

- 5.8 Internal Appeals may arise from a number of sources including appeals against assessment, appeals against discipline actions and appeals against decisions arising from complaints. The essential nature of an appeal is that it is a request by a student to reconsider a decision made by ITHEA.
- 5.9 Students appealing an assessment or RPL outcome will be given the opportunity for reassessment by a different assessor selected by ITHEA. Costs of reassessment will be met by ITHEA. The recorded outcome of the assessment appeal will be most favourable result for the student from either the original assessor or the reassessment.
- 5.10 The student's enrolment must be maintained while an internal complaint/appeal is in progress and the outcome has not been determined if the internal complaint or appeal is initiated by the student.
- 5.11 The appeal resolution phase must commence within 10 working days of the internal appeal application being lodged.
- 5.12 The Appeals panel will comprise two senior staff members not directly involved in the matter and will be convened by the Student Manager within 10 days of the appeal being received.
- 5.13 The outcome of the internal appeal and reasons for the outcome will be recorded in writing and signed and dated by the Appeal Panel and placed in the student file.
- 5.14 The student is advised in the written outcome advice from their internal appeal that they have 10 working days to access the external appeals process and must advise ITHEA if they intend to do so.
- 5.15 Following the internal appeal ITHEA must convey the decision to the student and implement any improvement actions arising from the complaint.

External Appeals

- 5.16 If the matter is still unresolved after the above procedures have been implemented and the internal appeals process exhausted, students are advised for an external appeal.
- 5.17 The **local** student shall be referred to government agencies such as: Consumer Affairs Australia: [The Australian Consumer Law](http://www.consumerlaw.gov.au/content/Content.aspx?doc=the_acl.htm) (http://www.consumerlaw.gov.au/content/Content.aspx?doc=the_acl.htm)
ASQA complaint page: <http://www.asqa.gov.au/complaints/making-a-complaint.html>
Department of Education, by completing the online form at <http://aei.gov.au/aei/esos/EnquiryForm.aspx> and this information can be accessed from the Student Manager. Students bear the costs for external appeal.
- International** Students are able to refer to the **Overseas Students Ombudsman** for independent mediation. The Ombudsman can be contacted via Email: ombudsman@ombudsman.gov.au, Mail: GPO Box 442 Canberra, ACT 2601, Phone: 1300362072
- 5.18 Where a decision or outcome is in favour of the student, ITHEA will follow the required action to satisfy the student's complaint as soon as possible.
- 5.19 The details of the complaints and appeals, procedures followed and outcome are placed in the student file.

DOHA Requirements

Student visas have a number of conditions that are set by Australian law and must be followed. If you have a visa sticker in your passport, there will be a series of numbers corresponding to the conditions of your visa. If you have an electronic visa, the conditions will be listed on the email you receive from DOHA.

For a full list of Student Visa conditions, go to <https://immi.homeaffairs.gov.au/visas/already-have-a-visa/check-visa-details-and-conditions/overview>

International students in Australia must maintain full-time enrolment in each semester.

Below are some of the Student Visa Conditions that you need to comply with if you are an international student. You risk being reported to DOHA if you fail to comply to the below:

Visa Condition 8104 – Work restriction

You can only [work](#) up to 40 hours in a fortnight. A fortnight means the period of 14 days starting on a Monday. If you are a member of the family unit of a primary student visa holder, you must not work in Australia until they have started their course.

Visa Condition 8202 – Meet course requirements

- remain enrolled in a registered course (if you are a Foreign Affairs or Defence sponsored student or a secondary exchange student you must maintain full-time enrolment in your course of study or training)
- maintain enrolment in a registered course that is the same [Australian Qualifications Framework \(AQF\) level](#) or higher for which we granted your student visa, unless changing from AQF level 10 to level 9.
- maintain satisfactory attendance in your course and course progress for each study period as required by your education provider.

Note: A registered course is one that is on the [Commonwealth Register of Institutions and Courses for Overseas Students \(CRICOS\)](#).

Visa Condition 8206

- Students intending to change education provider should contact their current education provider for information. In most circumstances the new education provider will be restricted from enrolling a student if they have not completed 6 months of their main course of study for which the visa was granted.

Visa Condition 8501 – Maintain adequate health insurance

- You must maintain adequate arrangements for health insurance during your stay in Australia.

Note: Under policy, this means that you must maintain Overseas Student Health Cover (OSHC).

Visa Condition 8516 -Continue to satisfy the criteria for the grant of the visa

- You must continue to satisfy the requirements for grant of your student visa.

Note: This means, for example, that your main course of study must continue to be a course in the education sector that matches your student visa, and that you must continue to have sufficient financial capacity to support your study and stay in Australia

Visa Condition 8533 – Inform provider of address

- You must let your education provider know your residential address within 7 days of arriving in Australia if you were outside Australia when your visa was granted.
- If your residential address changes you must let your education provider know within 7 days of the change.
- You must also let your current education provider know you have changed your education provider within 7 days of receiving:
 - a confirmation of enrolment from your new education provider, or
 - evidence you have been enrolled by the new education provider

Relevant legislation

A range of legislation is applicable to all staff and students. In order to comply with regulatory requirements, ITHEA must inform you during orientation, of your legislative obligations. They are as follows:

EQUAL OPPORTUNITY ACT 1995 AND RACIAL AND RELIGIOUS TOLERANCE ACT 2001

In Victoria, racial discrimination is unlawful in the areas of education, employment, goods and services, accommodation and land, sport and local government. For the purposes of the Victorian Act, "race" includes colour, nationality or national origin, descent, ancestry, and ethnic origin or ethnicity. The Act also makes it unlawful to discriminate against a person on the ground that the person has a relative or associate who is of a particular race. Racial and religious vilification is also unlawful in Victoria. The most serious forms of racial and religious vilification are a criminal offence.

EDUCATION SERVICES FOR OVERSEAS STUDENTS ACT 2000 (ESOS ACT)

This Act applies to students in that it mandates certain policies, procedures and actions by the Institute. For example, the Act requires ITHEA to report those students who have not met student visa conditions relating to attendance and academic performance to Department of Home Affairs (DOHA). Students are to be advised that such policies and procedures are not subject to the discretion of the Institute and are required by law.

NATIONAL VOCATIONAL EDUCATION AND TRAINING REGULATOR ACT 2011

This act was established to ensure quality VET standards and regulation and to strengthen Australia's international VET sector.

NATIONAL CODE OF PRACTICE FOR REGISTRATION AUTHORITIES AND PROVIDERS OF EDUCATION AND TRAINING TO OVERSEAS STUDENTS 2018

This Act provides nationally consistent standards for the conduct of registered providers and the registration of their courses

MIGRATION ACT 1958

This Act applies to students in that it allows the Immigration Department to automatically cancel a student visa 28 days after a notice is sent to the student under Section 20 of the ESOS Act if the student has not visited DIBP. Students are to be advised that they must visit DIBP within 28 days of a Section 20 notice if they wish to remain on their student visa.

OCCUPATIONAL HEALTH AND SAFETY ACT 2000

This Act applies to students in that it mandates certain policies, procedures and actions by ITHEA. For example, the Act requires ITHEA to ensure that students are provided with safe areas for training and assessment while on the premises. Students are to be advised that such policies and procedures are not subject to the discretion of the Institute and are required by law.

VOCATIONAL EDUCATION AND TRAINING ACT 1990

This Act applies to students in that it mandates certain policies, procedures and actions by ITHEA. For example, the Act requires in certain circumstances that ITHEA provide certain government bodies with information the Institute has regarding a student.
