22636VIC Course in Initial EAL

Government Funded: Skills First

Enrolment Type: Non Apprentice/Trainee

General: The 22636VIC Course in Initial EAL is designed for pre-literate students many of whom arrive in Australia with severely interrupted education and little or no previous education or learning experiences. These pre arrival experiences may influence their ability to settle in Australia and apply the skills required to learn a new language. These learners need to develop an identity as a learner and establish learning routines. The course is intended to provide participants with the following educational outcomes:

- basic decoding and encoding skills
- handwriting skills such as copying and hand-eye coordination
- recognition of common high frequency function words and nouns to convey familiar personal information
- conventions of an Australian classroom such as punctuality and attendance.

Entry: Entry to this EAL Course is determined according to the following criteria:

- a participant's current English language skills. (The Listening and Speaking and Reading and Writing units in the Framework may provide the basis for initial assessment processes and placement of participants at the appropriate proficiency level)
- a participant's prior formal education experience, both overseas and in Australia
- any prior EAL learning
- a participant's learning and pathway needs including employability skills, literacies (digital and other literacies), and further educational and vocational training needs.

Every student will be required to complete the English Proficiency Assessment test and a Pre-Training Interview. Students must also be at least 18 years of age.

Vocational or educational outcomes: There are no formal articulation arrangements for pathways into VET or higher education courses on completion of this course. Students can go onto further study options, including Course in EAL.

Delivery and assessment: This course is delivered in a classroom setting. Strategies include a variety of assessment methods and evidence gathering techniques, which offer an integrated approach to assessment.

Assessment methods and tools may include: verbal presentations, multi-media presentations, portfolios, student self-assessments, on-going teacher assessment, direct observation, simulated role plays, third party feedback e.g. from (teachers, community members or peers), verbal questioning to confirm linguistic, sociolinguistic and cultural knowledge

CHC33021 Certificate III in Individual Support (Ageing & Disability)

Government Funded: Skills First

Enrolment Type: Non Apprentice/Trainee Trainee

General: This qualification reflects the role of individuals in the community, home or residential care setting who work under supervision and delegation as a part of a multi-disciplinary team, following an individualised plan to provide person-centred support to people who may require support due to ageing, disability or some other reason.

These individuals take responsibility for their own outputs within the scope of their job role and delegation. Workers have a range of factual, technical and procedural knowledge, as well as some theoretical knowledge of the concepts and practices required to provide person-centred support.

Entry requirements: Prospective students are required to complete a Language Literacy and Numeracy (LLN) assessment and a Pre-Training Interview, administered by and to the satisfaction of ITHEA and be at least 18 years of age. You must have good word processing and email skills as well as the ability to download and upload documents and information.

Practical placement requirements: To achieve this qualification, the candidate must have completed at least 120 hours of work as detailed in the Assessment Requirements of the units of competency. Students are required to undertake supervised practical placement in relevant aged care settings. Evidence provided by the supervisor will contribute to assessment of the candidate's ability to work at this level. Students are required to find their own practical placement, however ITHEA will provide assistance and support where needed. Students must have a valid National Police Check prior to attending placement.

Vocational or educational outcomes: Students can go into a range of employment options. Occupations may include, Senior Personal Care Assistant, Care assistant, Accommodation Support Worker, Residential Support Worker, Community Access Coordinator, Community care worker, Community House Worker, Residential Care Worker, Food Services Deliverer, Transport Support Worker, In Home Respite Worker, Disability Service Officer, Care Worker, Client Assistant, School Support Officer (Disability), Family Support Worker, Care Service Employee, Planned activity assistant, Residential aide, Field Officer (Community Services), Nurse's Aide or Home care assistant.

Job outlook: Community and Personal Service Workers is the broad occupation category. Visit the Department of Employment, Skills, Small and Family Business to view more detailed information on individual occupations.

Delivery and assessment: We offer students the flexibility of choosing between online learning or classroom delivery. All students will be enrolled into our Learning Management System and all assessments must be completed online. As a result, all students will require a personal computer, with access to the Internet, to successfully complete their studies. Assessment methods allow for the gathering of sufficient quality evidence about the student's performance. Methods used include question and answer, observation/demonstration, case study and projects.

CHC43121 Certificate IV in Disability Support

Government Funded: Skills First

Enrolment Type: Non Apprentice/Trainee Trainee

General: This qualification reflects the role of individuals in a range of community settings and peoples' homes, who provide support in a manner that empowers people with disabilities to achieve greater levels of independence, self-reliance, community participation and wellbeing. Workers promote a person-centred approach, work according to and may contribute to an individualised plan, and work without direct supervision. They may be required to supervise and/or coordinate a small team.

Entry requirements: Prospective students are required to complete a Language Literacy and Numeracy (LLN) assessment and a Pre-Training Interview, administered by and to the satisfaction of ITHEA and be at least 18 years of age. You must have good word processing and email skills as well as the ability to download and upload documents and information.

Practical placement requirements: To achieve this qualification, the candidate must have completed at least 120 hours of work as detailed in the Assessment Requirements of the units of competency. Students are required to undertake supervised practical placement in relevant disability services settings. Evidence provided by the supervisor will contribute to assessment of the candidate's ability to work at this level. Students are required to find their own practical placement, however ITHEA will provide assistance and support where needed. Students must have a valid National Police Check and a Working with Children Check prior to attending placement.

Vocational or educational outcomes: Students can go into a range of employment options. Occupations may include Disability Officer, Day Support, Disability Support Worker, Drug and Alcohol Worker.

Job outlook: Community and Personal Service Workers is the broad occupation category. Visit the Department of Employment, Skills, Small and Family Business to view more detailed information on individual occupations.
